Subject: Browser requirements for The Property Registry's online services

The Property Registry maintains the highest level of security to protect our clients and our Manitoba Land Titles Registry and Personal Property Registry data. An online security risk has been identified that requires us to strictly enforce our minimum requirements for your browsers when using The Property Registry's online services:

- Microsoft Internet Explorer 11
- Microsoft Edge
- The latest version of Mozilla Firefox
- The latest version of Safari on Apple MacOS X
- The latest version of Google Chrome

Browsers and operating systems should always be kept up-to-date, with all available patches and security updates installed.

The standard system requirements apply to all of the following online services:

- Personal Property Registry (online and batch search)
- Documents Online
- Survey Plans Online
- Titles Online
- Plan Deposit Submission
- eRegistration

More detailed system requirements for our online services applications can be found on our website at http://www.tprmb.ca/tpr/land_titles/ito_offices/reference_material.html.

For questions regarding one of our online services, please contact our Client Service Team at tprclient@tprmb.ca or 1-844-737-5684 (toll-free).

Thank you,

The Property Registry
