Re: Change of Website Notice & TPR Technical Support

TPR's Website and Online Services are moving February 1, 2015!

On February 1, 2015, The Property Registry (TPR) will be changing our website and online services addresses to those listed in the table below. Users will be automatically redirected to TPR's new websites from our old addresses. Please update any existing browser bookmarks, shortcuts or favorites to the new site addresses below to avoid disruption in service.

The Property Registry website and Online Services new site addresses are:	
The Property Registry website	https://www.tprmb.ca/tpr
Documents Online and Survey Plans Online	https://www.tprmb.ca/lto/jsp/documentSearchServices.jsp
Personal Property Registry	https://www.tprmb.ca/ppr/actions/mainPageInitAction

The Property Registry Technical Support:

Effective February 1, 2015 technical support for TPR Online Services, Documents Online, Survey Plans Online and the Personal Property Registry will transition from our IBM partner to The Property Registry. As a step towards providing in-house technical support, security application forms for TPR Online Services, password resets and additional technical support for our Online Services will be managed by TPR. Security application forms can be downloaded from our website using the following link: <http://www.tprmb.ca/tpr/securityforms.html>

Our IBM partner will continue to support the Manitoba Land Titles System, other Government of Manitoba applications and will continue to administer the security application forms for these other government applications. Their forms can be downloaded using the following link: <https://direct.gov.mb.ca/esd/html/internet/en/security.html>

Your feedback and patience during this transition period from IBM to TPR is appreciated. If you have any suggestions or recommendations please email us at tprclient@tprmb.ca

Sincerely,

Nancy Anderson
