**Subject:** Electronic copies of status of title and status of instrument

---

Hello,

Please see the Directive from the Registrar-General of Manitoba regarding electronic copies of status of title and status of instrument. A copy is available on our website at [www.tprmb.ca/tpr/rq\\_directives/directiveindex.html](http://www.tprmb.ca/tpr/rq_directives/directiveindex.html).

Effective November 6, 2017, clients who have a land titles office firm and deposit account number will receive email copies of their statuses of title and/or statuses of instrument following acceptance of a registration, instead of printed paper copies.

If you have questions about this change, please contact our Client Service Team at [tprclient@tprmb.ca](mailto:tprclient@tprmb.ca) or 204-945-2042 (toll-free 1-888-877-3067).

Thank you,

The Property Registry
