Introduction

We offer two types of deposit accounts for you to manage your firm's funds:

1. A **land titles deposit account** – managed by your account administrator through the Land Titles Online application
2. A **Personal Property Registry (PPR) deposit account** – managed by your account administrator through the PPR application

This guide will look at these two types of accounts and how to manage the user access and funds associated with each account. Which accounts you need access to (one, or the other, or both) will depend on the type of business you conduct with Teranet Manitoba.

Common acronyms

There are a few common acronyms that you will see in this guide:

PDS	Plan Deposit Submission
PPR	Personal Property Registry
EFT	Electronic funds transfer

Browser requirements

Please visit our website for the most recent browser requirements.

Access your deposit accounts online

There are multiple ways to access your deposit accounts. Land titles deposit accounts are managed through Land Titles Online while PPR deposits accounts are managed through the PPR application. All of these can be found on our website at www.teranetmanitoba.ca.

Firm and account administration

Firm and account administrators are defined when you apply for access. They are responsible for maintaining your firm's user list and contact information. Your firm and account administrators can be the same.

Who is the administrator?

Firm	Firm administrator
User	Firm administrator (add/remove users to the firm)
Land titles deposit account	Account administrator (add/remove existing users to account)
PPR deposit account	Account administrator (add/remove existing users to account)

User access

Anyone in your firm who is expected to use, oversee or manage access to your firm's online services and/or accounts needs a user ID.

This includes anyone who:

- ✓ Searches our online services
- ✓ Registers using our online services
- ✓ Manitoba Land Surveyors
- ✓ Is the firm administrator
- ✓ Is an deposit account administrator
- ✓ Is a supervising lawyer to land titles transactions

Use our client application form to apply for any the requirements mentioned above.

User logon

1. To log on click on the **login** icon from the Land Titles Online application. 
2. Enter your **user ID** and **password**.
3. Click **login**. 

The screenshot shows a 'Login' dialog box with the following elements:

- Title: Login
- User ID:
- Password:
- Forgot Password? (link)
- Buttons: Cancel, Change Password, Login

You use the same user ID and password for all of our online services. All users should have their own, individual user ID. There is no cost for individual user IDs.

Reset a password

If you get locked out of your account or forget your password you can reset your password by selecting the “Forgot Password?” option from the logon page:

The screenshot shows a 'Login' form with two input fields: 'User ID' and 'Password'. Below the 'Password' field is a blue link labeled 'Forgot Password?'. At the bottom of the form are three buttons: 'Cancel', 'Change Password', and 'Login'.

Enter your email address in the box provided and our system will email you a link to reset your password.

The screenshot shows the 'Online Services Forgot Password' page. It contains the following text: 'Please enter the email address associated with your account.' and 'We will send you an email containing a link and instructions for changing your password.' Below this is an 'Email Address' input field. At the bottom are 'Cancel' and 'Submit' buttons.

You should receive an email with a link to reset your password within five minutes.

You won't receive the email if:

1. The email address you provided contained a typo
2. The email address you provided does not match the email associated to your profile
 - For security reasons, we can only send a reset link to the email address you used when you registered your profile
3. The email address you entered is shared with another user
 - For security reasons, we can only send a reset link to an email address that is unique to your profile
4. The email with the link to reset your password was sent to your junk folder
5. You never provided an email address

There are several ways you can add funds to your land titles deposit account:

1. Our top-up service will automatically replenish your land titles deposit account using an electronic transfer of funds when your land titles deposit account reaches your designated minimum balance. Funds will be pulled from your bank account and transferred to your land titles deposit account at regular intervals. It is recommended that clients consider setting their minimum balance high enough to accommodate peak volumes.
2. Deposit **cash** in person at one of our six land titles offices (do not send cash in the mail).
3. Mail or drop off a **cheque** to one of our offices
 - Don't forget to include the account number in the memo section of the cheque.
4. Use **debit** in person at one of our six land titles offices.
