System Requirements for eRegistration

Browser requirements

To access the electronic registration (eRegistration) system, your browser will need to meet the following minimum requirements:

- Microsoft Internet Explorer 11
- Microsoft Edge
- Latest version of Mozilla Firefox
- Latest version of Google Chrome
- Latest version of Safari on Apple Mac OS X

Browsers and operating systems should always be kept up-to-date, with all available patches and security updates installed.

Scanning requirements

All scanned and uploaded documents must be of sufficient quality to allow for electronic examination. Documents must be:

- In colour
- 300 DPI
- In PDF format

The suitability of scanned documents will ultimately be determined by the District Registrar.

Smart form requirements

We recommend opening the smart forms on a Windows computer using Adobe Reader DC.
Land titles smart forms will not work correctly on the following versions of Adobe Reader:

- Any version older than Adobe Reader 10.0
- Version 11.0.21
- Version 17.012.20093
- Any DC version for a Mac computer
